### TIP OF THE DAY: HOW TO LEAVE ONE!

Most of you lovely lot like to pop a quid or two into our tip jars to thank our team for the awesome service they provide – and the team likes to share the tips with our chosen charities, Show Racism the Red Card and Mind.

But with all this business about cashless payments, the new system with the card machine can feel super fiddly and cumbersome. So we wanted to make it easy for you: from now on the tip jar comes to you!

We're adding a discretionary 10% contribution for the tip jar to your bill. We'll divide the tip between the team and as we always do, our chosen charities and nowhere else. But hey, if tipping is not your thing, just give us a quick nudge and we'll take it off the bill and say no more about it. It's not compulsory and we won't make it. Mille Grazie!
